STEP 1
POWER UP
Connect your smartwatch to the included charger.
When it's fully charged, press the button to turn it on.

WARNING: To avoid damage to your watch, only use with included charger. Do not use a USB hub, USB splitter, USB y-cable, battery pack or other peripheral device to charge.

STEP 2
DOWNLOAD & PAIR
Download the latest version of the **Wear OS by Google™ App** onto your phone from the App Store™ or Google Play™ Store. Open the app, enable Bluetooth™ and follow the prompts to pair your smartwatch. Once paired, your smartwatch screen will walk you through the rest of the setup.

- Download on the App Store
- Google Play

Wear OS by Google
